ELITE

DESTINATION HOMES

No two vacation homes
are the same.

Our suite of luxury vacation home services, from rental marketing and home exchange to complete asset management, is customized to meet the requirements of each owner and home. Leave the hassles to us. Enjoy your home more!

We give you your *time* back.

Elite will assume responsibility for the functions you want to offload, including rental revenue generation, running the day-to-day operations, accounting and guest services. Your Owner Concierge will act as your personal assistant to schedule the time you want to enjoy in your home.

“We value you (Elite), your relationships, professionalism, and keeping your eye on the ball. We’ve worked with other rental agencies but no one at your level.”

Ben M. / Owner in Costa Rica

We improve your *bottom line*.

We ensure premium representation of your home in the vacation rental marketplace. Our dedicated multi-lingual reservations team works continuously to maximize rentals that make sense for your home. Our skillful asset management team will manage your vacation home as a business, making sure yours is a well-run asset.

“Elite has generated significant rental income. We like their approach to marketing that spans multiple channels and multiple markets. A lot of rental management companies represent a lot of properties in one market, so they end up generating less income for each property. We also appreciate the timely accounting.”

Rob G. / Owner in Hawaii

You get to see and enjoy *the world*.

As a unique benefit of being part of the Elite Destination Homes portfolio, you can experience other Elite vacation homes around the world at no charge through our exclusive, voluntary home exchange program. You request the time and place. Your Owner Concierge will handle the details.

“The opportunity to travel elsewhere has been amazing. No more sorting through rentals for something suitable and well kept, and being disappointed. All of the Elite Destination Homes are of such high quality that they take your breath away, and the Concierge reception makes traveling to a new place a wonderful experience... and so easy to arrange, since Elite does ALL the work! We’re looking forward to our next trip.”

Mimi C. / Owner in Paris
