- Join our expert captain and crew on a relaxing whale watching cruise in Cabo.
- Once onboard, cruise past the famous arch, sea lion colony and Land's End before heading out to explore the Sea of Cortes and the Pacific Ocean.
- With a refreshing drink in hand, search the horizon for these majestic sea mammals as they perform impressive breaches and spectacular dives into the deep ocean.
- Relax in style and enjoy freshly prepared snacks onboard while our local experienced captain searches the ocean for the gentle giants.
- During the winter months, dolphins, turtles and rays are often seen playing on the ocean surface and make this whale watching cruise an unforgettable experience.
