- Speed up your adrenaline on this fun and exciting, guided sightseeing ride, led by our fully experienced instructors.
- Cruise along the Arch and Lover's Beach on our speed boat and admire the attractions at Land's End, then revel in the scenery of Los Cabos' coastal views and live unforgettable moments while riding one of our powerful jet skis across the bay.
- Known for its plentiful marine life, you might encounter some fauna on your way, even Humpback whales in winter months!
- Safety is our main priority, for this reason, a safety chase boat will follow you at all times.
- After an action-packed day in the ocean, replenish your energy with a savory grilled hamburger (vegetarian alternative available) accompanied by french fries and refreshing drinks.
