Beginner Scuba Diving

Join our certified dive instructors for a short orientation and learn the basic scuba diving skills. Once you complete the skills and have gained confidence your PADI instructor will accompany you on your first and thrilling open water dive. The dive site is only a short boat ride to the bay of Cabo San Lucas. Submerge and descend into a rich marine environment, explore the marina flora and fauna and enjoy the tranquility below the surface. Look out for the King Angelfish, Moorish idols, Parrotfish, Surgeon majors and much more. All the gear is included, all you need to bring is your eagerness to learn and let yourself be amazed with the new world that awaits you beneath the surface of the sea of Cortez.
